Updated 1 hour ago

Environment

Windows 10.

Chrome Version 113.0.5672.127

Steps to Reproduce

1. Open https://www.agoda.com/uk-ua/

2. Click on the input form "Enter the destination or facility"

3. Enter * > pick "****", Nasugbu

4. Pick the date from and date to

5. Click on "Search"button > observe

Actual result

After the user enters a hotel or city name using & or * in the beginning and clicks the search button, the button clicks but nothing happens.

Expected result

After the user enters a hotel or city name using & or * in the beginning and clicks the search button, he should be taken to the hotel search page.

Screencast

The inscription on the "Learn More" button on the COVID-19 banner comes out on the frame of the button.

Attach   Add a child issue   Link issue   ...

Description

NOTES: The inscription is out of bounds on some locales. In English and Italian, for example, it appears correctly.

Severity	Low
Priority	= Medium
Type	Visual

Environment

Windows 10.

Chrome Version 113.0.5672.127

Steps to Reproduce

1. Open https://www.agoda.com/uk-ua/
2. Observe the button "Learn More" on covid-19 banner

Actual result

When a user goes to https://www.agoda.com/uk-ua/ and sees the covid-19 banner he sees that the inscription on the "Learn More" button comes out on the frame of the button.

Expected result

The inscription on the "Learn More" button on the COVID-19 banner must not extend beyond the button.

Environment

Windows 10.

Chrome Version 113.0.5672.127

Steps to Reproduce

1. Open https://www.agoda.com/uk-ua/
2. Click on currency in the header and change it on USD
3. Click on burger menu and observe currency
4. Click on currency and change it on any other
5. Click on burger menu > observe currency
6. Reload page > Click on burger menu > observe currency

Actual result

When the user changes the currency in the header, it does not change in the burger menu until the user reloads the page.

Expected result

When the user changes the currency in the header, it should automatically change everywhere on the site.

⚙ Configure

Steps to Reproduce

1. Open https://www.agoda.com/uk-ua/
2. Click on "Taxi from the airport"
3. Enter information about pick up > drop off > pickup date > pickup time > number of travelers
4. Click on the search button
5. Click on "Book Ride"
6. Scroll down to "Secure payment"
7. Enter coupon > Try click on activate coupon button

Actual result

The "Activate Coupon" button remains inactive when you enter a coupon on the detailed machine information page.

Expected result

When the user enters a coupon, the "Activate Coupon" button should become active and can be clicked on.
